**SOURCING OF USED PAPER FROM EDUCATIONAL INSTITUTES,
OFFICES AND OTHER ORGANISATIONS**

Greetings from Nepa Limited

1. Nepa Limited is the first newsprint paper mill in Asia, inaugurated by the first Prime Minister of India Pandit Jawaharlal Nehru in 1956 and dedicated to the nation as one of the modern temples of India. We are a Public Sector Undertaking under the administrative control of Ministry of Heavy Industries, Govt of India.
2. We make environment friendly paper without cutting trees by recycling old waste paper. Thus we are contributing to the **Prime Minister's Swatchha Bharat mission** in a small way by using and recycling waste paper. The company is undergoing an expansion and modernization project. On completion of this project, our waste paper requirement would be 1 lakh Metric Ton every year.
3. In this endeavour to make clean and green India, we would like to invite all Offices, Educational Institutes and other Organisations to associate with us for supplying the waste paper generated at your end on mutually agreed rates. The packing, lifting and transportation will be arranged by us. We are attaching herewith the broad commercial terms and conditions and contact particulars of our commercial Department.
4. We request you to give details of waste paper generated at your end by filling up the form given below and mailing it to us. Our representative will get in touch with you to finalize the details.

Thanks and regards

For Nepa Limited

Cmde AN Sonsale
Chairman-cum-Managing Director
